

**SILVER SPOON ESTATE  
E-NEWSLETTER**

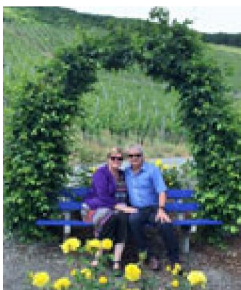

THIRD EDITION:  
July 2015

**Dear Silver Spoon Friends,**

Welcome to chilly old winter if down south, but it's not too long to wait for Spring and we've started pruning so bud burst doesn't catch us! Welcome also to our new mailing list members.

In this edition, share photos from last month's Europe trip and recent images in the vineyard.

We've some exciting wine and food events planned in Melbourne and Heathcote so check your diaries! We hope to see you at one of our events and share more about what's happening with our exciting new vintages coming through!

Best wishes

**FEEDBACK ON OUR SHIRAZ 2010 OR 2012!**

We are receiving excellent tasting news from customers who are opening our 2010 and 2012 Shiraz. If you have this in your cellar, we'd love you to open a bottle and give us your feedback.

## Frosty mornings and pruning has started

The 2015 pruning season began on 20/7. We've been very lucky with the weather and managed to prune and tie down over 30 acres of vines in less than 6 days. Only another 26 acres to go! The vines are all strong and healthy with another bumper fruit year expected. Winter maintenance in the vineyards is well underway and we will be ready for Spring and the mowing season in less than 5 weeks.
