

## Dear Friends and Family,

INVITATION TO OUR WINERY - THIS WEEKEND 7-8-9 JUNE 2014

We are excited to share with you that our winery doors will be open this weekend for three days for the first time at the "2014 Heathcote on Show Weekend" - 11:00am to 5:00pm daily.

### **Our daily program includes :**

- New release wines available for tastings and sales, with daily special offers
- Up close and personal Barrel Tastings with husband-winemaker Peter Young!
- Delicious Cheeses, Coffee, Chocolate and Cake!

In the tasting line-up our 2012 Shiraz and our 2013 Shiraz Viognier wines were recently noted as "Best wines of the day" by many of the patrons to this year's May 3 Shiraz Masterclass Luncheon at Domaine Asmara Vineyard, hosted by Robert Hicks. Beautiful balanced wines to drink now or cellar for another day...

Our latest wine - Viognier - is our first white wine! A lovely wine to have with entrees or desserts. Full apricot flavours bursting into your mouth. This is a very 'special' limited release wine quite different from any other Viognier wine you have tasted before! At \$18.00 for a 375ml bottle, it's a wine to definitely have in your wine collection...

At the winery, we are hosting an art exhibition by "Steel Crazy" artisan Steve Cook. His inspiring and original hand crafted fire pits are a highlight for any outdoor garden area. Steve creates magnificent art sculptures in steel and has been commissioned for large public art pieces. Please take the time to enjoy his work and what he has on offer.

We will also have on display a lovely selection of hand turned pens and trinkets by my talented father - Keith Stoneham. Crafted from oak, sassafras, myrtle, gum, and many other timbers, Keith demonstrates a natural flair for creating beauty out of a solid object.

Peter and I are very proud of what we have achieved for our first opening weekend and look forward to seeing you. If you can't be there, please email us for our tasting notes and order form to see our new release wines.
